urørlige! Mangemillionæren Philippe søger en handicaphjælper efter en ulykke, der har gjort ham lam fra halsen og nedefter. Til alles overraskelse falder hans valg på den sorte ghettoknægt Driss, der netop er blevet løsladt efter en fængselsdom. Ved første øjekast har de to ikke det mindste til fælles. Alligevel bliver det begyndelsen på et smukt venskab. Instruktør: Olivier Nakache.

# What have we learned?

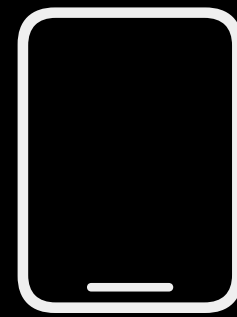

A yellow rectangular sign with a black double-headed arrow is mounted on a wooden post. The sign is positioned in the center of the frame, with the text 'Next Steps' overlaid on it. The background is a vast, arid desert landscape with rolling hills and a range of mountains in the distance under a clear sky.
